

# S-590 Advanced Fire Behavior Interpretation

**Accepting Nominations  
for the 2016 Course!**

**March 8 – 17, 2016**

## S-590 Mentoring Program

- Assignments with a qualified FBAN/LTAN
- Gain experience and training in FBAN/LTAN duties
- Acquire confidence in skillsets required to be successful in the S590 course
- If you don't have a FBAN/LTAN taskbook you can participate in the mentoring program as:
  - Behave Technical Specialist (BHAV)
  - Geo-Spatial Analyst (GSAN)

You can help.....BE A MENTOR!

Qualified FBANs and LTANs needed to mentor S590 candidates for the 2016 course.

**To participate in the S-590 Mentoring Program, as a mentee or mentor, contact your [Geographical Area Training Representative](#)**

Help build a solid base of fire behavior interpretation experts for the wildland fire service!

Submit your S-590 Nomination as soon as possible. Nominations should be submitted through your unit and Geographic Area protocols to the Course Coordinator. [Click here for a Link to a NWCG nomination form.](#) Please use IQCS Nomination workflow where possible for the 2016 course. Contact the Course Coordinator regarding any concerns with the S590 Mentoring Program or nomination process.
