

NW Oregon Zone training committee meeting 2/11/15

Minutes:

Conference Call attendees: Gerri, Berta, Sheila, Amy, Jamie, Sean, Jeff

Needs Analysis due Feb. 20 to Sheila. Haven't received any yet. Redmond won't give extension on this so get those in. The one Sheila sent out – the first one rx340 was separate but now combined with 301/341.

Sheila will post WCT schedules if you want to send them to her.

NW OR Zone web page – Other Training tab is where the refresher schedules are

Berta – not putting on any classes except refreshers and they're posted online already. Not sure if the Siuslaw is going to put on a burn boss refresher. Willamette is putting it on 3/5, but the limit is 50 and WIF has priority first.

Gerri – still waiting on information on Ignition Operations and S-271 with Longline, will get the refresher/WCT schedule to Sheila

Jeff Eniga (vice Alison Blair) – ODF - put on S390 class and I-300/400 classes, putting on DIVS this week, S-290 coming up (class is full). S-215 in May still tentative, FI-210 in July still tentative. Will probably put a HEQB class together sometime mid-June.

Sean – NAFT hosting S-330/331 strike team leader class March 6-8 in Molalla. Will send Sheila flyer. College-wise Clackamas Comm College taking a look at what programs they have and what we need to focus on. Met with Deb Roy last week and got her nod on compliance with our MOU.

Yvonne – Clackamas Community College – looking at upcoming full-time faculty member for wildland fire program

Jamie Paul (vice Ron Tyson) – concentrating on MOU stuff and contracting stuff. Is the process still when MOUs are done they go to colleges for signature then to contracting group? Jamie will check with Katie on what the process is. any issue with posting MOUs on our website? Jamie will ask Katie that, too. All our current MOUs are still good. Clackamas Comm College still intending to do language skills assessment? / yes. All our current MOUs are still good.

We meet once a year, Face to face, next is October 21 @ 1000 (Wednesday), Salem BLM and Eugene BLM are merging but Berta & Amanda Dedrick will work on getting a room with conference call line at the Salem BLM office.

Remember get Needs Analysis to Sheila by next Wednesday.

Berta's last meeting. Retiring Sept. 30.
