

# BIAK TRAINING CENTER, OREGON ARMY NATIONAL GUARD

**2.7 miles east of the Pacific Northwest Training Center on Hwy. #126 towards Prineville. Look for the Green sign with the military logos on the south side of Hwy. #126 just before the highway becomes 4 lanes. Turn south and drive until you see a gate on the left where the pavement ends. Drive east through that gate, follow the road to the building on the right. Enter the second gate by the building and park. You have arrived.**
