

## L-481 Student Selection Logistics Information:

February 25, 2016

### Where and When

The class will be held at the Centennial Training Center, 8720 Frank Baldwin Rd, Bldg 9120; Fort Carson, CO 90913. This is on the Fort Carson military base. You will need to have government and/or other photo ID to get into the base. Class will begin at 0730 with check-in on Monday, March 21, in Building 9120. Class will end at 1630 on Friday, March 25. You will need to arrive on Sunday to check into your room and be able to get to the course by 0730 Monday morning. Local resident commuters excepted. Lodging on Ft. Carson will not be available for Friday night, so make arrangements accordingly.

### Meals and Lodging

The facility has individual sleeping rooms, for which there **will be no charge**. Photos of the rooms show them to be very similar to a standard hotel room. You will need to bring your own bedding and toiletries, including a towel. Our block of rooms has not yet been assigned, and therefore, we are unable to tell you at this time if you will have a twin or a queen bed. The suggestion would be to either plan for both, or bring a sleeping bag. The rooms should be assigned the week prior to the class and we will update you with room assignments as well as the Sunday afternoon check in time.

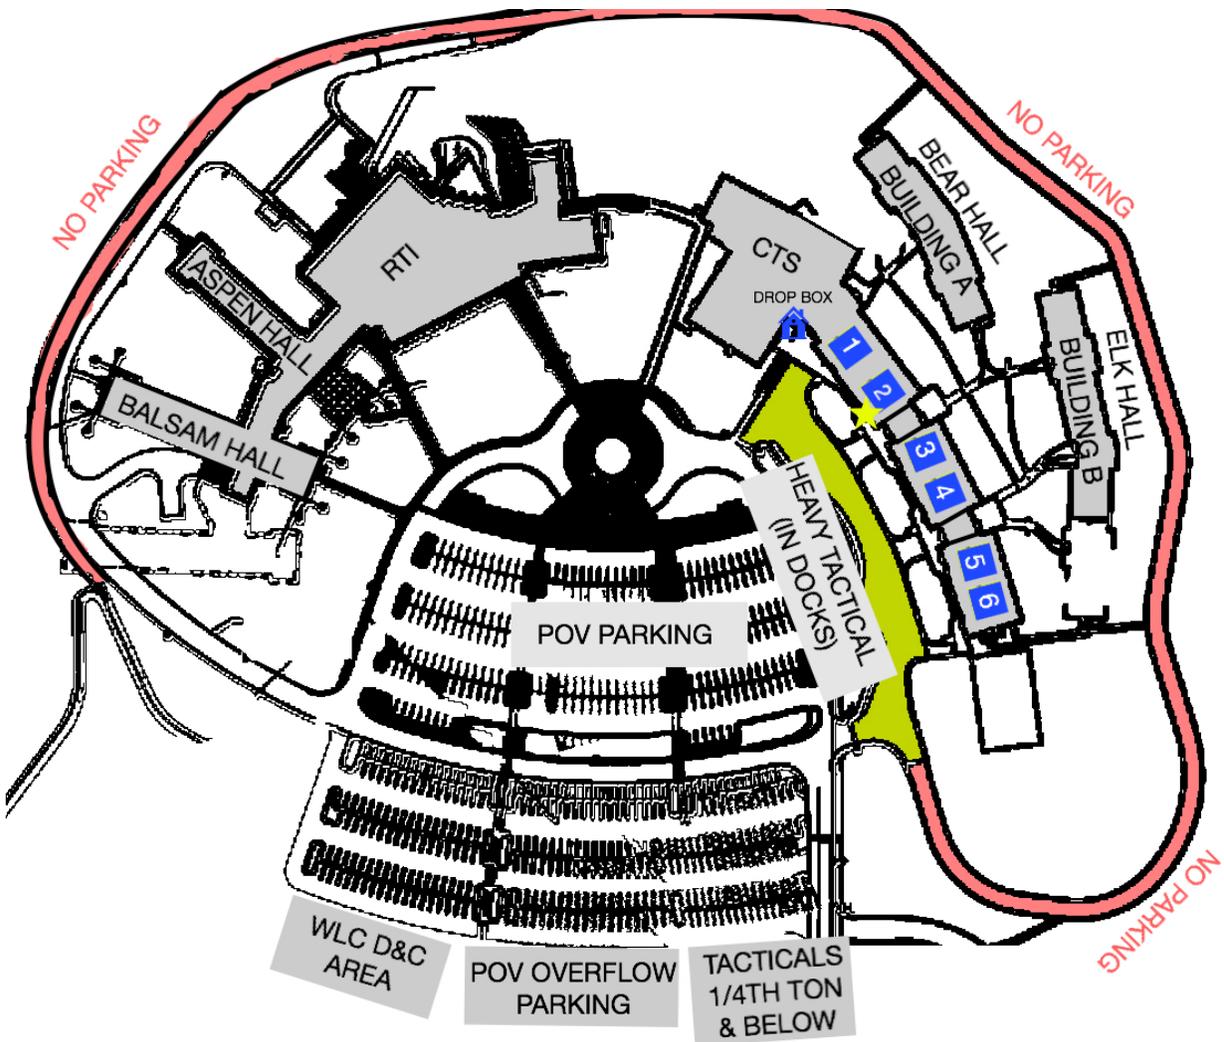

The rooms are equipped with a small refrigerator, microwave, and cable TV.

As the course is being held on Ft. Carson, off base restaurants are not practical. Therefore, we have requested meals at the dining facility. You will be responsible for paying for your meals. Meal rates at the facility are: Breakfast - \$3.45, Lunch - \$5.55, Dinner - \$4.85. **CASH ONLY!** On Thursday and Friday, there is **not** a scheduled lunch break, so you will need to plan accordingly and bring what you need to make it through the day. There is a Subway nearby.

Some suggestions for additional items are: Bottled water, personal snacks, and **CASH** for meals.

**Course Tuition:** Attached is a Rocky Mountain Training Center finance form. Please complete, scan, and email it to [kbang@blm.gov](mailto:kbang@blm.gov) by **Friday March 11, 2016**. Tuition will be **billed** to those students that do not cancel, in email format directly to [kbang@blm.gov](mailto:kbang@blm.gov) by **March 11, 2016**. **Note:** If you do not attend the training and **do not cancel by March 11, 2016**, you will be charged the tuition fee of \$350.00.

## Centennial Training Site – Parking Areas
