SUBJECT: Facility Access for You Will Not Stand Alone Course

TO: Students

You have been selected to attend the You Will Not Stand Alone course at the Angeles Training and Conference Center, February 1st – 5th, 2016.

The training center is located behind the main headquarters building. A gate code is required to access the facility. The code for the week of February 1st is **4642**. The visitor/front desk entrance should be used if you are not able to gain access through the gate.

Due to the large number of participants, designated parking for this course is in the rear parking lot, to the northwest of the headquarters building. Directional signs for ATCC parking are posted inside the compound. Please do not park next to the main buildings, or in the visitor's parking at the front desk.

If you have any questions regarding this course or our facility, please contact our training staff at (626) 574-5267 or email atcc@fs.fed.us.
