SUBJECT: L380 Fireline Leadership at Northern California Training Center

TO: Selected Course Participant

Congratulations! You have been selected as a trainee for the L380 Fireline Leadership to be held at the Northern California Training Center in Redding, CA. The Course will commence on **Monday, February 22, 2016 at 1300 hours, and conclude on Friday, February 26, 2016 at 1200 hours.**

This session may be postponed until October. Pre-work is being mailed now so you, as the student, have time to complete. Please subscribe to this session on the website so that you are emailed if the session has to be postponed. We will try and keep the Training Officers on the units informed of any changes.

Pre-study Assignment/Special Student Information:

There will be required reading and a DVD to watch that will be coming to you thru the US Postal Service. These items will be mailed directly to your Training Officer.

You will need to bring fireline gear with you to the course which includes: hard hat, gloves, boots and line gear. Nomex is not required and a good back pack can be used instead of your normal line gear. Also, bring rain gear and warm clothes, since a significant amount of the course is done outside (rain or shine). If you have a physical ailment, please contact me in advance so that we can try to accommodate you. Your fitness should be comparable to the level it is at when taking the Work Capacity Test (WCT).

On the first day of class we will be collecting the DVD from you, so you will need to bring that with you. The book is yours to keep, but it would be a good idea to bring that with you as well.

Any question regarding the items to bring or the pre-course assignment you can contact the Lead Instructor, Josh Mathiesen, 530-226-2889.

Stay connected to the course you have been identified in, you may request that you be added to a mailing list that will email you. You will only receive one message per day (in the morning) and only if there was a change the day before for your session. Please note (although it isn't updated every day just when there is significant changes) when the Selection Roster is updated you will also get a message that there has been a change to your session.
