DATE: December 1, 2015

SUBJECT: RX-341 Rx Fire Burn Plan Prep at Northern California Training Center
PREWORK INSTRUCTIONS

TO: Pre-work Course Participant

You have been selected to complete the **Pre-work** for the RX-341 Prescribed Fire Burn Plan Prep to be held at the Northern California Training Center in Redding, CA. ***This is not a selection letter. Persons meeting the criteria below will be notified when selections are made.*** The course will commence on Monday, February 8, 2016 at 0800 hours and conclude Friday, February 12, 2016 at 1300 hours.

This course has been developed to provide a sound understanding of the duties and responsibilities associated with planning prescribed fires. It is expected that course participants have sufficient experience in prescribed burning and wildland fire operations to serve as a firm foundation for further learning.

In order to successfully complete this course you will be required to participate in a group exercises and complete a prescribed fire burn plan. **Many of these exercises will require additional work at night after class. There will be a field exercise so please bring hardhat, boots, and field gear sufficient for inclement weather and adverse hiking conditions.**

Pre-study Assignment/Special Student Information: VERY IMPORTANT!
