

# CALIFORNIA WILDLAND FIRE COORDINATING GROUP

DATE: Feb 23,2016

SUBJECT: RT-372 Helicopter Manager Workshop

TO: Course Participant

Congratulations! You have been selected for the ***RT-372 Helicopter Manager Workshop/Refresher*** to be conducted at the Wildland Fire Training Center, McClellan, CA.

**Training Session** will begin on Wed March 30<sup>th</sup> @ 0800 hours and conclude on Friday April 1<sup>st</sup> @ 1700 hours.

Review the rosters. Session numbers are listed at the top of each roster.

\*To receive a certificate of completion for this course, you must attend from the scheduled opening to the scheduled completion; *please make your travel plans according to the set hours.0800-1700. There will be no exceptions.*

The Objectives of this Course are to:

- Meet the tri annual recommendation for the recertification as Helicopter Manager.
- Update current and trainee Helicopter Managers on new information while reinforcing existing skills and knowledge.
- Provide hands on experience using current technology pertinent to Helicopter Manager.

***8Hour Required Pre-work Assignment Information:***

## **Online Courses @ IAT.GOV**

**A-100 BASIC AVIATION SAFETY and A-200 (A-100, FORMERLY THE B3 COMBINATION HELICOPTER/AIRPLANE SAFETY CURRICULUM)**

(A-100 replaces **five** older courses – A-101 Aviation Safety; A-105 Aviation Life Support Equipment (ALSE);

A-106 Aviation Mishap Reporting; A-108 Preflight Checklist & Briefing/Debriefing; A-113 Crash Survival)

- You must bring proof of completion of the on-line training, in the form of a certificate to class and presented upon request. If you do not comply with pre-work requirements, you will not obtain credit for attendance.
