The required pre-course work (<http://training.nwcg.gov/pre-courses/L280/l280.html>) is based on a reading assignment that encourages you to examine how well prepared you are to lead others. The reading assignment is followed by a few questions that ask you to reflect on the reading in terms of your own situation. By reading this book as pre-course work you are afforded some time to think about the topic of leadership prior to attending the course.

Unfortunately ***The Attila the Hun book will not be sent directly to each student for L-280:***
